

【Keep Close To Nature's Heart】

Welcome to TCU Eco-Awareness Camp for International Students!

Only a decade has passed since the 21st century began, but our world has already suffered a full gamut of extreme weather conditions, including severe droughts, floods, cyclones, and heat waves.

Environmental protection has become an urgent imperative that must be translated into action for the continued survival of humanity.

The purpose of organizing Eco-Awareness Camp is to advocating the serious global warning of our Mother Earth that caused by mankind, and also popularize the significant of Environmental Protection, which is our responsibility as a human being.

The whole camp is conducted in English, held by TCU International Students Union, and invites all International students around Taiwan to join!
